

# INDIANAPOLIS **ACE** ACADEMY (Aviation Career Education)

The Indianapolis Aviation Career Education (ACE) is a summer aviation program. The academy offers an interactive introduction to the aviation industry and careers to middle and high school students.

All students are taught concepts in **SIX CORE AREAS:**

- ➔ Airline Operations
- ➔ Airport Operations
- ➔ Air Traffic Control Operations
- ➔ Flight Operations
- ➔ Professional Development
- ➔ Team Building

For camp information, please visit  
[www.indyace.com](http://www.indyace.com)

## REQUIREMENTS:

The Indianapolis ACE Academy is available to eligible students ages 10 through 18 years old, who have a desire to learn about aviation. Applicants are selected based on age, cumulative GPA, and recommendations:

- ➔ **An interest in the field of aviation**
- ➔ **An accredited educational institution** (Homeschooled students are accepted)
- ➔ **Have maintained a 2.5 GPA or better**  
Special circumstances will be reviewed by the director
- ➔ **Must be physically capable of participating in academy activities**
